Stearns Homestead is home to over 75 animals, including goats, sheep, poultry, rabbits, cats and horses. The forty-eight acre farm is an operational farm, and while many of the farm animals have a permanent home here, some are raised for market.

We rely on kind friends, members, and the public for your support as a proud parent who adopts one (or more) of the farm animals each year. For a small fee, you can be an “adoptive parent” which will help with feed and care costs for that farm animal.

As an “adoptive parent”, you will receive a certificate of adoption and will be invited to a special appreciation day to interact with your farm animal adoptee(s). Of course you are welcome to visit your farm animal anytime.
